1/ New memberships:

Three European clubs submitted applications to join the UCEB

The applications from **Svenska Briard & Picardklubben** (Sweden) and **Briard klub ČR** (Czech Republic), clubs that have long had a breeding policy that includes club shows, selections, character and health tests, were unanimously approved.

The recently formed **Belgian Briard Association** also submitted its application. The club was recognised by the Union Royale Cynologique Saint-Hubert in June 2025 and is organising its first show (without CAC according to URCSH regulations) on 2 November 2025. It has already demonstrated its willingness to work in line with the selection policies implemented by UCEB member clubs, which is a very positive point, but don't fulfill yet the conditions described in article 6 of the statutes. The members decided to review the BBA's application in 2026 in light of the measures it has put in place. UCEB members present at the show organised on 2 November 2026 will be able to talk to the BBA's management team.

An information email will be sent to the representatives of the three applicants. The membership map has been updated in Appendix 1.

The two clubs joining the UCEB will forward all the necessary information to Ms Heike Trozzo, who is in charge of managing the website.

2/ Secretary :

As no member country wishes to take on the role of UCEB Secretariat, it is proposed that François Teppaz-Misson hold this position until the next elections scheduled for 2027. The proposal is unanimously approved.

3/ UCEB Show:

A reminder is made of the need to inform the entire committee of any changes planned during the organisation of the UCEB Show. It is entirely understandable that changes beyond the organisers control may occur, but it is important to ensure that the dates remain compatible with the calendars of member clubs.

Ms Iwona Gisterek-Grocholska (Klub of Poland Briard & Beauceron), whom the Committee thanks for organising this first UCEB Show, gave a review of the organisation (see Appendix 2).

The Briard klub ČR proposes to organise the UCEB Show on 26 April 2026 (preceded by two days with the Club Show on 24 April and the Selection and working trials on 25 April) (see Appendix 3). The Committee unanimously approves the Briard klub ČR application.

Regarding the application from the Belgische Briard Club (B.Br.C), in the absence of President Patrick Herremans, the decision is postponed until the next Committee meeting in early 2026.
