After an introduction by the President of the Association du Berger de Brie on the objectives of setting up the UCEB, a presentation related to the above-mentioned purpose was made at the meeting (cf. Appendix 2).

### 2/ Objectives of the UCEB association :

- The UCEB is not a substitute for national associations ensuring the preservation of the Berger de Brie breed in compliance with FCI / Kennel Club rules,
- It brings together European countries wishing to promote the Berger de Brie breed while respecting common values concerning standards, health and character,

- It enables these countries to organize a "UCEB Show" dog show and thematic conferences dedicated to the Berger de Brie breed on their territory.

The statutes (cf. Appendix 3) of this French association have been discussed with the founding members. The present meeting records their approval. In accordance with French legislation, they will be registered with the Vendôme Sub-Prefecture.

### 3/ Committee elections :

### 4/ Dates for UCEB Shows :

1/ Mrs. Iwona Gisterek-Grocholska (Klub of Poland Briard & Beauceron) proposes to organize this event in 2025. As the association is in the process of being set up, some latitude has been granted with regard to the information deadlines set out in article 17 of the articles of association. Mrs. Iwona Gisterek-Grocholska gives a presentation (see Appendix 4) of the venues and planned content of the UCEB Show (selection and exhibition). The judges have not yet been appointed. Madame Aye suggests that for this first event there should be one French and one foreign judge. Mrs Iwona Gisterek-Grocholska suggests that members make suggestions to her.

2 dates have been provisionally selected:

- Choice 1: September 13 and 14, 2025
- Choice 2: September 20 and 21, 2025

The choice will be made on the basis of the date chosen for the Association Nationale du Berger de Brie.

2/ Mrs. Heike Trozzo proposes that the BCD organize this event in 2028, to mark the Club's 40th anniversary. A more complete dossier will be sent at a later date.

All those present and voting approved the principle of these exhibitions. More complete documents will be provided for the next UCEB meeting for the exhibition planned in Poland.

### 5/ Proposed agenda for next meeting (date to be fixed) :

- Approval of new members
- Potential election of Secretary
- Website and Logo (Mrs. Heike Trozzo)

Mrs Trozzo precises some exchanges already have had between her and Mrs Aye about a first proposition of logo. After an ABB meeting, the chosen option is a logo in the style of the old logo with Briards, uncut ears, very stylized (like a pencil drawing) and stars reminiscent of Europe would be preferred. This is still a work in progress (with the help of

a friend who has more expertise in creating vectors). All wishes and suggestions will be taken into consideration, but for reasons of availability, she will not be able to offer two versions.

- Provision by member clubs of :
- List of judges specializing in the Berger de Brie breed
- List of veterinarians who are official readers of Hip Dysplasia x-rays, where available
- Proposed dates for UCEB Shows
